**Rating Scale:** 1 = Poor, 2 = Below Average, 3 = Average, 4 = Above Average, 5 = Excellent

**Note:** If your college guidelines require a summary of courses, you will need to copy and paste the first table below into your OPT template. The columns and fields labeled "Required Course" and "Team Taught %" are included so you can provide this information for each course. A "Required Course" is one that is required for a major. If you taught a course with someone else, the percentage of the course taught by you should be entered in the "Team Taught %" column. The OPT template will auto-populate with the evaluations you received for each course.
